# SAMPOORNA PROGRAMME ACHIEVERS

Hi everyone,

I'm delighted to share that I got **recommended for CDS (INA)**! I would like to express my heartfelt gratitude to the **Cult SSB** team for their invaluable guidance throughout my preparation.

From the **psych** sessions, I understood what is truly expected in responses, the difference between *length* and *depth* of a story, and how to refine and highlight my narratives. In **GTO**, I learned how to contribute meaningfully in GD and GPE, while the **PIQ and interview classes** helped me prepare in depth for the personal interview.

In my mock interview, **Ashish Sir** even told me, *"You are a highly recommendable candidate"* — though unfortunately, he forgot to record it . **Pallab Sir** and **Ayush Sir** patiently resolved all my queries, while **Aditya Sir** guided me effectively in psych.

Lastly, I'm grateful for the collaborative spirit among my fellow groupmates — whether it was NDA, CDS, ACC, or any other entry, everyone contributed something valuable to the learning process.

Thank you once again, Cult SSB, for providing such a strong platform

**Rohit Lalotra**

Jai hind to all,
I am a student of Sampoorna Batch, I have been to SSB thrice before, once NR and twice SO.
I had taken coaching from a renowned coaching centre but the guidance and feedback I am getting right now from cult team is commendable. I have learnt a lot about psych, Interview & GTO and hoping that I will learn more from here. I am feeling much more confident than my last attempt and hoping to perform well this time.
Please team cult keep guiding aspirants like us so that we can achieve our dreams.

**Ankush Sharma**

This batch is awesome i got lot of insights from this batch especially physch and interview related really my way of seeing things change perspective change i really love this batch very helpful 12:39 AM

## REVIEW

Jai Hind sir ,
I am Manas Chauhan. I was recommended for ssc tech 66 course and received joining letter yesterday. I was enrolled in your psych only course during late November and I had my SSB for ssc tech starting on 4th dec. I could attend only few course classes due to paucity of time as I was preparing for other exams also. Other than the course, I've been watching all your YT videos which helped me immensely in the SSB especially GTO. The questionnaire for interview also helped. Grateful to your institution and the team.
Regards

## REVIEW

Sir I enrolled in Psych only batch
I got to know about the SSB procedure in depth. Aditya sir's regular psych classes made me develop out of box ideas which directly helped me in improving my TAT as well as WAT . Also attempting full length psych test and then getting it reviewed definitely helped me in finding my loopholes and then rectifying them. In mini sampoorna batch Pallab sir briefed about every technique in a very detailed manner and the brahmastra micro actions increased the level of my perception and helped me writing stories in a more crisp way. Also I followed Chetwode motto which enhanced my performance in ground tasks as well in interview. Ayush sir taught GTO techniques and broadened the mind to think of a number of ideas for ground tasks. Arunabh sir made us practice everything so smoothly in such a way that in real SSB as well I was not hesitant in any of these. Overall every mentor who is the part of the team played a very important role in my success and I feel blessed to get mentored by such experienced faculties.

## REVIEW

HI EVERYONE I GOT RECOMMEND FROM 20 SSB BHOPAL IN 24 TO 28 JULY BATCH .... I HAD PURCHASED TABAHI BATCH FROM CULT SSB ....
SO I WAS A TOTAL FRESHER SSB KA S BHI NAI AATA THA DIDN'T EVEN KNOW KI 5 DAY PROCESS MEIN ORDER KYA HOTA HAI PEHLE KYA HOTA HAI BAAD MEIN KYA HOTA HAI.... I CAME FROM THAT STAGE TO BEING RECOMMENDED... ALL THROUGH THE UNCONDITIONAL HELP OFFERED BY THE TEACHERS AT CULT SSB .... WHATEVER DOUBT U HAVE WHATEVER UNEASINESS U HAVE AYUSH SIR CLEARS IT ... WHETER IT IS SUBHE KE 1 OR IT IS SUBHE KE 6 .... SO I CAME FROM A JOURNEY FROM KNOWING NOTHING TO EXCELLING AND COMPETING WITH REPEATERS UNDER THE GUIDANCE OF PALLAB DATTA SIR AND AYUSH SIR.... BHAIYO OIR SE LEKAR TILL END CONFERENCE TAK .... AYUSH SIR PREPARES INDIVIDUAL FOR THE WORST... WO ITNE EXPERIENCED HAI THROUGH THE SAB PROCESS THAT HE KNOWS EVERY SINGLE CROSS QUESTION THAT CAN BE MADE.... TALKING ABOUT MATERIAL.... ITTA SAARE SOURCES AND ITTE SAARE PDFS BHEJ DENGE KI UNKO PRACTICE KARTE KARTE 2 MAHINE BHI KAM LAGENGE AND AFTER ATTENDING AYUSH SIRS WHOLE CLASS WITH FULL DEDICATION IT FEELS LIKE A CAKEWALK AND MOST OF ALL U FIND IT VERY AMUSING TO DO IT AND NOT JUST DOING IT FOR THE SAKE OF CLEARING IT.... AND MY BATCH FINISHED AROUND 23 june AND HAD MY SSB ON 24 OF JUNE....BHAI THEY TELL U IN TABAHI THAT IT WOULD BE A 21 DAY PROCESS ... TRUST ME IT ISN'T ... ITTA SAB KARNE MEIN 1 MONTH AROUND LAG HI JATA HAI AND PLUS THEY DONT SEE TIME AND THEY DONT RUSH WITH ANYTHING .... THEY BELIEVE IN DOING IT ONCE AND FOR ALL ... AND PHIR USKE BAAD NOTES REVISION KI BHI THERES NO NEED ....JUST PRATICE PRATICE AND PRACTICE ....JO BHI QUESTION EXPLANATION MANGTA THA WO SIR BINA TIME DEKHE DOUBT CLEAR KAR DETE THE.... HE HAD A VERY BIG ROLE IN MY SELECTION BECAUSE WHATEVER THE QUESTION AND NO MATTER HOW MANY TIMES IT BE,HE ANSWERED IT EVERYTIME,WITHOUT ANY IRRITATION.... IN MY ONE MONTH OF SELF PREPARATION I WOULD SEND ALL THE WRITTEN MATTER TO BE ASSESSED TO AYUSH SIR .... BHAI WO TIME NIKALKE CHECK KAR HI DETE HAI ... AND HE ASSESSES IT VERY HONESTLY.....
ALTOGETHER THE TEAM OF CULT HAD SUPPORTED A LOT IN MY PROCESS AND HELPED ME AT PLACES EVEN FAR MORE THAN OFFLINE COULD HAVE EVER DONE.....

ALTOGETHER I WOULD SAY CULT IS A MUST RECOMMENDED ONLINE PLATFORM AS THE THING THAT SEPERATES IT FROM OTHERS IS NOT ONLY THE CONTENT QUALITY BUT ALSO THE NOT SO "TIME BOUND" HELP OFFERED .....

IF SOMEONES A TOTAL FRESHER OR IS A COMPLETE REPEATER WHO CANNOT ASSES WHERE HES LACKING THEN TABAHI BATCH IS A MUST BUY IT WOULD HELP A LOT ... THEY OFFER LOT MORE THAN THE PRICE TAG SAYS ....

After facing three screen outs, I honestly felt stuck and unsure about where I was going wrong. That's when I reached out to Cult SSB and decided to take their Mini Sampurna course — and it truly made a difference.

What stood out the most was their focus on the smallest details that actually shape your response.

helped me work on my genuine weaknesses, step by step.

I used to ask countless doubts, and every single one was patiently clarified. That clarity is what gradually built my confidence and performance.

A big thank you to Arunabh Sir, Ayush Sir and Pallab Sir.
Grateful for the guidance that helped me make it.

Hello bhaiya got recommended from 22 SSB bhopal on 2july for NDA
It was my first attempt
Bhaiya i was part of your mini sampoorna batch 32
And i am very very grateful to you and all the mentors, your guidance teachings and, insights helped me alot
I am thankful to cult ssb team 🙏

## REVIEW

Jai Hind everyone!

Myself Hemant Kumar Sharma, and I secured AIR 144 in CDS OTA 1 2025.

My initial SSB journey was filled with conference-outs for multiple reasons that I found difficult to identify and improve on my own. To seek expert guidance, I joined the CultSSB Interview Only Course, and it turned out to be a major turning point in my preparation.

During the course, I got the opportunity to appear for three mock interviews with different mentors, including Ashish Sir and Pallab Sir. What made the experience even more valuable was that I could also observe other candidates during their interviews, analyse the mistakes they were making, and listen to live suggestions and areas of improvement given by the mentors.

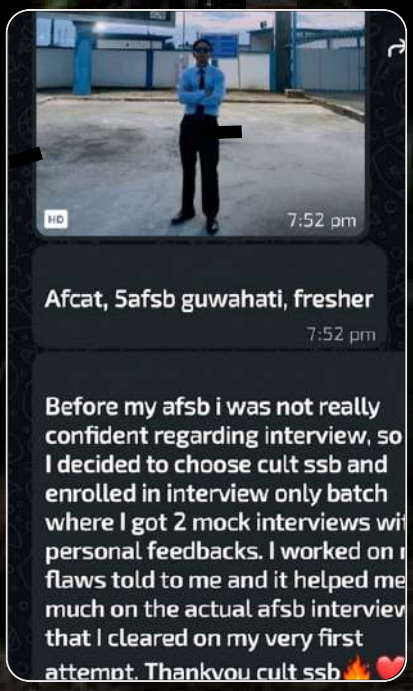

During my initial mock interview, my mentors pointed out that I needed to build confidence by increasing my knowledge—not just about the Army, but also about the world and the environment around me. I started working on these areas consistently, and within a few weeks, I could clearly see an improvement in my overall performance.

During my final mock interview with Pallab Sir, he gave me one particularly important piece of advice: bring accuracy and proficiency to my speech. I worked specifically on this aspect and tried to make my communication more precise, confident and effective , and the results speak for themselves.This time, I not only got recommended, but also secured 480 marks in SSB, which is a very good score, especially for a repeater.

I am genuinely thankful to all the mentors at CultSSB for their guidance, constructive feedback and, most importantly, for helping me identify the areas that I was unable to recognise on my own.

For me, CultSSB was not just about giving mock interviews—it was about understanding my mistakes, working on them systematically, and becoming a better version of myself as an SSB aspirant.

Jai Hind! 🇮🇳
